

CHANGE TODAY, CHANGE TOMORROW INC.(CTCT)

Dear Friend,

Change Today, Change Tomorrow Inc. is a local, non profit organization that began in September 2019. We are appealing to the needs of the Black community in multiple facets with specific focus on education and community service. From an assortment of charitable donations through a variety of projects, we have served over 15,000 of our Louisville citizens. Our service and donations not only go to unhoused individuals but also to our community members who are the most impacted by lack of resources, financial hardship, and inadequate housing in the West End communities such as Park Hill, Russell, Parkland and many more.

Even in the midst of the COVID-19 global pandemic, our efforts have been an unwavering resource for our community. In fact, due to the impact of the pandemic, we increased our frontline outreach by 600%! CTCT is now serving over 10 zip codes (40203, 40208, 40210-40214, 40216, 40218, 40258, and 40272).

Change Today, Change Tomorrow relies exclusively on donations from the community. We are inviting you to assist in our efforts by providing donations to our causes. We could not have been as successful as we have been without the support of our local businesses and citizens. Every product and financial donation as well as volunteered time makes our efforts not only meaningful but creates lasting impacts for our Louisville communities in need. Please read through our several projects to learn how your donations will impact the marginalized communities of our city, followed by the list of items we require to keep our projects going in direct support of Louisville's West End citizens.

Will you please support Change Today, Change Tomorrow as we continue to prioritize the Black population? Any and all support is welcomed and greatly appreciated!

With sincere thanks,

Taylor Ryan
Executive Director and Founder

Change Today, Change
Tomorrow Inc. is a
501(c)(3) charitable
organization

CHANGE TODAY, CHANGE TOMORROW INC.(CTCT)

We also maintain a communal food pantry, clothing closet, and community garden!

Communal Bleach Monday - Serves up to 50 change-today.org/umoja/free-bleach

We were gifted with a Bleach Maker from WaterStep, a local nonprofit who provides global access to fresh water and bleach creation. We can make 10 Gallons of bleach every hour! Individuals, community organizations, small businesses and anyone else in Louisville, KY is welcome to schedule a free bleach pick up or delivery on our website.

Umoja Thursday - Serves at least 100 change-today.org/umoja

Every Thursday at 6 PM we distribute 100+ hot meals and essential items known as Change Kits – masks, gloves, hand sanitizer, vitamins, deodorant, bar soap, shampoo, conditioner, washcloths, combs, razors, socks, TARC passes, and period products.

It's Friday, Period. - Serving 1,000 Pads

We are partnering with several change-making organizations to provide period products for the community of menstruators they serve. Donating 1,000 pads a week to Jilly Pads, Uniting Partners for Women and Children, Black Lives Matter Louisville, and more!

Feed the West - Serves thousands change-today.org/feedthewest

#FeedTheWest is a community food justice initiative spearheaded by Shauntrice Martin sponsored by Change Today, Change Tomorrow. This project accepts monetary donations and food donations that are packaged and delivered to requesting residents. This initiative started June 2, 2020 and will continue on until the West End has a Black-Owned and sustainable fresh food source for our residents.

Healthy Change Event Series - Serves 200 change-today.org/events

3-Part event series providing free and fresh produce, organic juices, herbal teas, and immune system supplements + yoga, entertainment and overall joy.
