Full Circle Teacher Supply Giveaway

LOUISVILLE, KY (July 30, 2021) -- Founder and CEO of Change Today, Change Tomorrow, Taylor Ryan, created the non-profit after she saw a teacher she knew asking for help purchasing supplies for their classroom on the teachers personal Facebook page. The idea that an educator would need to turn to the generosity of others, or come out of pocket themselves, to obtain the necessary tools to support them was unacceptable, so Ryan did something about it. Education is an incredibly powerful catalyst for change which is why the barriers facing teachers receiving the aid they need was the first CTCT eradicated, and why it remains one of the main pillars of our work at [Change Today, Change Tomorrow](#) (CTCT). On Thursday August 5th, from 4pm-6pm, CTCT, in collaboration with Watch Us Grow, will be hosting a supply giveaway for teachers at the CTCT Change Education Hub, in a full circle event in honor of the founding of the organization and the barrier free future we wish to see.

Educators in need of supplies can simply fill out this form, and come by the celebration
